

Sens de Vie

About the Show

A throw back to the magical days of Vaudeville, **Sens de Vie** brings variety, excellence, and a taste of something different to the stages of America. Sens de Vie, translated “meaning of life”, sets out not only to entertain the family at the highest level, but to take them on a journey of reflection to stretch their imagination and perspective.

The show is anchored by master illusionist and communicator **Harris, III**, (“Harris the Third”). While performing breath-taking illusions, Harris weaves together a fabric of mystery and meaning by performing such classics as “Sawing a Lady in Half” and Harry Houdini’s famous “Metamorphosis”. However, Harris’ uncanny ability to create unforgettable moment on stage with audience members is the special ingredient that makes Sens de Vie come to life!

Harris is joined on stage by Hollywood Records Recording Artists, **Everlife**, as well as Ringling Bros. Barnum & Bailey veteran and world champion circus performer **DonB!** Together, these performers bring music, comedy, mystery, and meaning that is sure to amaze and inspire audiences of any demographic.

The show is about to begin...are you ready to discover **the meaning of life?**
