*Master Illusionist*

## What Others Are Saying About Harris, III

“What an awesome time my family and I had watching Harris, III last night! We were not only amazed by his great illusions, but were very impressed with his strong and clear presentation of the gospel. I'm excited about the next time that I get to see him perform, to see what else he's got up his sleeve. And I would highly recommend seeing him as soon as you can!”

-**Mac Powell**, Lead Singer of Third Day

“Harris' flawless presentation of astonishing illusions is only matched by his incredible presence on stage. He is charming beyond words! He understands the true art of connecting with an audience, and presents so much more than just a 'show'. He takes the audience on an exciting journey, full of laughter, transparent stories, heartfelt wonder, and amazement. The result is an experience that leaves the audience refreshed and inspired...it is truly unforgettable! Our people are still talking about Harris, and we couldn't recommend him higher!”

--**Julie Arnold**, Service Programming Director, North Point Community Church, Alpharetta, GA

“Each year at Catalyst, our team does everything in our power to raise the bar and blow people away with creativity. This year, we called Harris to come play a role in helping us succeed at that goal. He took the time to help us creatively illustrate the theme of our conference, and then performed an illusion that left us speechless. Our entire staff along with the entire audience of 11,000 people were in awe of his performance - we are still receiving great feedback. Harris is a true professional to work with, and I couldn't recommend him higher!”

-**Brad Lomenick**, Director, Catalyst Conference

“I wanted to take time to thank you for another wonderful performance for our student body. Both of your sets were very entertaining, and we have heard rave reviews from students who were there. Everyone had a great time, and they are already asking if we can book you for another show. The crowd (over 1,500 students strong) was extremely entertained and engaged during the whole performance. I am positive that when we bring you back, we will need to find a larger room to host the event! I was very happy with the whole procedure- from booking through load out you were great to work with. Thanks again, and I look forward to working with you in the future!”

-**Chris Misiano**, Director of Campus Programming, Liberty University, Lynchburg, VA

“Harris & Kate are great! I was watching so close, but I was blown away! Phenomenal job!”

-**John Maxwell**, Internationally Recognized Leadership Expert, Speaker, & Author

“Harris is not only a tremendously talented and gifted illusionist, but he is also a joy to work with. If you spend a little time with him offstage, you realize quickly that his heart, passion and focus is sharing the Gospel of Jesus and telling people how they can have a personal relationship with Him.”

-**Billy Goodwin**, NewSong, Grammy Nominated, Dove Award-Winning Music Group

“We invited Harris to come to Catalyst this year, and at Bigstuf Camps, to work with us on a few fun things on the stage. His big finish left all the guys in the band with their mouths open...but they weren't singing. They just didn't know how the heck he did what he did. The audience was mesmerized as well, but the band was right there beside him...amazing.”

-**Lanny Donoho**, Director, Bigstuf Camps and Bigstuf Productions

“I've seen Harris perform three times now, and I not only admire his sheer talent, but I adore his commitment to Christ and his passion to bring absolute Truth to today's generation. Harris is one of the most talented performers I've seen, yet his humble attitude allows God to truly minister through him to audiences of all ages. I love the fact that he's able to wow a university campus, a group of children, or a room full of adults and then transition into teaching his listeners about the dangers of being deceived. Harris is a master entertainer and an incredible teacher!”

-**Susie Shellenberger**, Editor, Brio Magazine

“Harris has the amazing ability to cause you to question both your eyes as well as your heart. He is probably the most unique and awe-inspiring guest any church could have as part of their outreach event. Oh yes, and the "Metamorphosis" illusion...simply dumbfounding!”

-**Mark Graalman**, Dove Award-Winning Band, Sanctus Real

“I am a fan of anyone who can entertain and genuinely minister at the same time. That's why I'm a fan of Harris, III. I have seen him in various settings, large and small, and have been completely amazed by his talent. Most impressive, however, is his unique presentation of the Gospel. Harris uses magic as a vehicle to communicate his message in a way that is as unique and memorable as anything I have ever seen. He is a true talent and his style and presentation is universal. It's hard to imagine a setting where it wouldn't be both entertaining and impacting. In a day and age where people have almost limitless choices for entertainment – I can honestly recommend Harris as one of the best choices you could make. His message is eternal.”

-**Chaz Corzine**, Manager for Amy Grant, Michael W. Smith, Frank Peretti and Others

“I've seen a lot of people do a lot of things with what God has given them. Harris, III simply shares the love of Jesus Christ with the gifts and talents that God has given him unlike anyone I have ever seen before. His courteous and professional manner has made him a pleasure to work with in every aspect of his ministry! Get him while you still can!”

-**Caz McCaslin**, President/Founder, Upward Unlimited, Inc.

“Illusion followed by revelation. The true beauty in Harris' show is found in the enlightenment of Truth. Harris and Kate use their gifts to illuminate the deception of this world, and lead people into the person of Truth, Jesus Christ. The show is mesmerizing and entertaining, while the message is clear and inspirational. As their pastor, I have watched Harris and Kate discovering Truth more deeply at every turn in their journey. They are contributing to the Kingdom of God in an incredible way.”

-**Jamie George**, Pastor, Journey Ecclesia, Franklin, TN

“The best part about Harris isn't necessarily his skill, which is fantastic, to be sure. For me, it's how he seamlessly incorporates the Gospel into his show in a way that makes sense to our generation.”

-**Jimmy Needham**, Inpop Recording Artist

“Harris is one of the most talented communicators I have ever had the privilege of hosting. He displays an amazing combination of illusions, charisma, and faith. I would highly recommend for him for any event that you may be programming.”

-**Jason Hayes**, Young Adult Ministry Specialist, Lifeway Christian Resources

“Harris is not only a world-class illusionist, he also brilliantly communicates the greater Reality found beyond the one which our senses so easily misperceive. You will be astounded, amazed, beguiled...and ultimately enriched by his performance.”

-**Vince Wilcox**, Co-producer, Winter Jam Tour Spectacular

“We have had Harris recently lead and perform two different student outreach events for our student ministry. Both events were an incredible success because of Harris' talent, ministry heart, and incredible presentation. We saw many students connect with Christ and our ministry through these events. Simply, Harris and his presentations are one of the best things we have seen and experienced in years.”

-**Jason Stewart**, Minister to Students and Parents, FBC Smyrna, TN

“We had Harris at an event with Brad Stine. Harris is great! Very, very good! He kept the audience very captivated with his illusions, and he's a very likable guy. I would HIGHLY recommend booking Harris!”

-**Steve McCranie**, New Life 91.9, Charlotte, NC

“As a ministry that doesn't have a "bait & switch" outreach philosophy, I appreciated Harris' approach. He is in tune with this generation and knows how to engage a teenage audience. I would recommend him to any youth ministry.”

-**Jeremy Whitehead**, Lead Youth Pastor, The Peoples Church, Franklin, TN

“This is the second time we have had Harris at an Upward Awards Night. Each time he has amazed the audience and presented one of the clearest gospel presentations I have heard! Our program had over 500 children participating and nearly 2400 people at our awards night. Harris held everyone's attention and put on a VERY professional show. We are still having people comment on what a great show it was. I would highly recommend Harris and his crew for any size program, and look forward to having him again in the near future!”

-**Brad Mattax**, Regional Representative for Upward Unlimited, Inc.

“You are rad!!”
